- To make recommendations to the Teeswide Safeguarding Adults Board (TSAB) on how the training element of the TSAB budget should be used and to be responsible for monitoring the allocation of the budget.
- It is agreed that learning and development activities will:
  - Be based on current, evidence- based knowledge and research
  - Include reference to the Teeswide inter-agency Safeguarding Adults policy and procedures and local practice guidance, where applicable

  - Include Mental Capacity Act, Deprivation of Liberty Safeguards (until replaced by the Liberty Protection Safeguards) and Best Interest Assessor
  - Reflect anti- discriminatory practice through its content and delivery

## Cultural Competence

Cultural competence is a key aspect of professional practice which describes the knowledge, values and skills required to work in an inclusive manner that reflects the diversity of local communities. To achieve this there are three key attributes that professionals require:

### 1. Knowledge and understanding of:

- a. Their own culture
- b. Any culture bias they may have
- c. The concept of culture and how this can affect beliefs and behaviours
- d. Specific cultural knowledge.

### 2. A range of values and attitudes, including a commitment to:

- a. Valuing individuality and the role which culture plays in this
- b. Respecting individuality and the role which culture plays in this.

### 3. A range of skills including:

- a. Culturally competent communication
- b. Culturally competent assessment
- c. Culturally competent delivery of person-centred care.

Professionals should consider any gaps in their knowledge and development needs in relation to this subject. This NHS resource provides a further useful insight:

## Training Programme

Organisations will provide single-agency Safeguarding Adults training for their workforce. However, it is recommended that the training delivered meets the Teeswide Adult Safeguarding Competency Framework as well as any relevant professional standards as required.

The Teeswide Safeguarding Adults Board offers further learning opportunities which meet with the requirements of the competency framework and are available to partners, voluntary agencies, providers of health and social care services, directly employed staff (personal assistants), carers and volunteers.

## How to Apply for Training

All training events are displayed on the Teeswide Safeguarding Adults Board's (TSAB) website. These can be viewed along with the Board's other training resources at <https://www.tsab.org.uk/professionals/training-resources/>

Also, taught courses can be viewed along with other events and key dates at <https://www.tsab.org.uk/professionals/events-key-dates/> Interested parties can apply for training by completing the booking form attached to the course information.

To apply for a place on a taught course, learners are required to create a user record via the TSAB website. Learners are then able request a place, track the status of their request and view the courses applied for. It is advised that learners fully complete the booking form with as much detail as possible as this information is used to prioritise the allocation of places.

When learners complete the online request form for the first time, they will receive an email from 'WordPress' which will explain how to set up a password to enable access to their account in the future. Upon completion of the booking form, the learner will receive onscreen notification that their booking request has been received.

Applicants will be notified as to whether they have been allocated a place, by email, at least 14 days prior to the event.

## Charging for Non-Attendance or Cancellations

The Teeswide Safeguarding Adults Board (TSAB) is committed to supporting the provision of free multi-agency safeguarding adults training. The funding of learning, training and development opportunities is provided by our statutory partners and allocated on an annual basis to meet the identified training priorities. The TSAB has agreed that although multi-agency training will be provided free, a charge will be applied for late cancellations and non-attendance.

### Procedure

Cancellation more than 7 days before the course date:

- All cancellations must be made in writing, preferably by email to: [tsab.businessunit@stockton.gov.uk](mailto:tsab.businessunit@stockton.gov.uk)
- No telephone cancellations will be accepted
- No charge will be applied

Cancellation 7 days or less before the course date:

- Written notification must be received by the TSAB Business Unit from the delegate or their line manager.
- Where written notification is not received 7 days before the course start date or where there is insufficient reason for non-attendance, a nominal charge of £50 per day will be made.
- If any additional costs have been incurred these will also be charged in full, for example, interpreter services.
- If the learner is unable to attend the course on the day, due to unforeseen circumstances (such as illness) then written notification from the line manager must be sent to the TSAB Business Unit and consideration will be given to a waiver of the charges if this is deemed appropriate. Please note this is at the discretion of the TSAB Business Unit.
- If the employing agency is able to provide an appropriate substitute delegate to attend the training, the TSAB Business Unit must be informed in writing, and the charge will be waived.

It is the responsibility of all delegates to ensure they have signed the attendee list at the beginning of each training course day. Any delegates who have not signed the attendee list will be considered a non-attendee and will be charged accordingly.

The Board reserves the right to levy charges at a higher level for training commissioned from specialist training organisations, where the cost of the course exceeds £50 per delegate.
